

Men's Regional Chairs
Conference Call November 7, 2012

Present

Kevin Muenz THSGCA Mens' VP
David Joliceur Region I Chair
JT Fletcher Region II Chair
Kern Arrott Region II Chair
Eric Briley Region IV Chair
Brandi Pettus Secretary Absent

Selection of men's judges for the State Championships

Rather than create a process, Kevin Muenz reminded us that we already have one. It was not in the constitution or on the website. He was able to produce the document from last year and will send it to the Regional Chairs for discussion. Selection Process completed by February 1st.

Application for State Meet Judges

JT will create an application for judges to request the state meet assignment. This list of officials will be sent to the Regional Chairs to poll their coaches as to whom they want to judge.

Event Assignments for State Championships

Use of non partisan judges to assign the events for state meet, much like the process of skill evaluation. Only difference is the officials 1)should not be a THSGCA coach 2)officials of the TGJA who make the assignments should be known and not unnamed.

Skill Evaluation

Muenz: Process is working great. Submit video, TGJA President and two unnamed judges evaluate. Wieler in elgrip was rated as at "C".

Need a place on our website to post the videos and or list of new skill evaluations.

JT: Suggested use of YouTube to link the video for now.

Late fees for schools registering was discussed as to where it is printed and how much is assessed

The deadline for registration is November 15th. Team registration is \$160 per team (\$320 per school if you have boys and girls), and the late charge is \$50 per month until March 15th. Registration forms that were sent in and postmarked after March 15th are charged \$500. This is all in our constitution page 9.

HS Clinic Dec 1

Muenz: Still looking for clinician

Two meets going on the same day as well as one in Oklahoma may take away some coaches and clinicians.

Respectfully submitted,

Mark Sherman
THSGCA President
