An Application for Waiver of Athletic Parent Residence by Jared Whiles /Noe Marquez. The Waiver was presented to 3 Athletic Directors and denied. Coach Whiles has appealed this decision and is being presented to the Games Committee. All content and information is completely confidential.

Todd Vesely contacted the UIL Waiver Officer and had a lengthy discussion regarding this exact case of Noe Marquez. **“The standard for determining to grant a waiver rests on the students choices. If the student made appropriate decision would these things have happened?”**

**If the student had no control of his/her situation, if they had no choice at all, it is most likely the waiver would be granted. If the student is responsible for poor decision making, it is most likely the UIL would not grant the waiver.”**

Each member was given 2 minutes to voice their opinion. The vote was 7 to 5, in favor of granting the Waiver of Residency, effective immediately.
