#### **Optional Overview Chart: (Level 9 with modifications)**

<b>Level</b>	<b>Max Score</b>	<b>Exercise Presentation (E-Score)</b>	<b>Element Groups (E.G.)</b>	<b>Difficulty (D-Score)</b>	<b>Total Skills</b>	<b>Dismount Value Required</b>
<b>9</b>	<b>10.00</b>	<b>6.0</b> Small = 0.1 Medium = .02 Large = 0.3 Fall = 0.5 1/2 swing = 0.2 Full swing = 0.3	<b>2.0</b> <b>4 @ 0.5</b>	<b>2.0</b>	<b>8</b> <b>(7+Dismount)</b>  A=.1, B=.2 C=.3, D=.4 E=.5, F=.6 G=.7	<b>B = 0.5</b> <b>Full E.G.</b>  <b>A = 0.3</b> <b>Partial E.G.</b>

## **B. THSGCA Optional Competition Overview:**

- 1. The THSGCA will use the 2017-2020 USA-Gymnastics Men's J.O. Age Group Competition Program Level 9 rules with modifications.**
- 2. Optional rules are based on the FIG Code of Points with J.O. and THSGCA modified exceptions listed in the Optional rules sections.**
- 3. The maximum optional score will be a 10.00 and is composed of:**

<b>Exercise Presentation</b>	<b>6.0</b>
<b>Element Groups</b>	<b>2.0</b>
<b>Difficulty</b>	<b>2.0</b>
- 4. Optional score calculation:**
  - a. Dismount must count for Element Group Requirement.**
  - b. Count the highest value part for each required Element Group first.**
  - c. Count the highest remaining skills for maximum numbered parts.**
  - d. Less than 6 recognized skills results in a 1.0 deduction from the 'E' score for each missing part. (5=5.0, 4=4.0, 3=3.0, 2=2.0, 1=1.0)**
- 5. Exercise Presentation rules:**
  - a. Small = 0.1, Medium = 0.2, Large = 0.3, Fall = 0.5, 1/2 extra swing = 0.2, full extra swing = 0.3**
  - b. Because of the 10.0 maximum score and the corresponding reduction assigned to the Exercise Presentation (EP) score, (6.0) it is important that the judge become familiar with the reduced values of each medium and large deduction. Almost all 'EP' errors in the FIG Code of Points are listed as small, medium, large and fall deductions and can easily be converted to the appropriate reduced High School 'EP'. In general, when the FIG Code of Points or the USA-Gymnastics JO Age Group Program book uses a numeric value for a deduction instead of the written small, medium, large or fall references, it should be converted to the appropriate 'EP' deductions for high school. Some deductions will be kept the same and are identified in the text. (Example: short routine stays at 1.0 per missing part)**

## **II. General Rules and Regulations**

### **A. Age Determination and Competition Level (Does not Apply)**

### **B. Uniforms**

- 1. All gymnasts for Levels 6-10 on Pommel Horse, Still Rings, Parallel Bars and Horizontal Bar, must wear long solid colored competition pants and footwear (socks and/or gymnastics shoes). In the THSGCA Competition Program, dark colored competition pants are allowed. On Floor Exercise and Vaulting, gymnasts may compete in short pants with or without footwear. A competition top must be worn on all events.**
- 2. Does not apply.**

3. All gymnasts are required to wear a shirt or competition top on all events during warm-ups prior to competition.
4. For safety reasons, jewelry of any kind is NOT allowed during competition and is considered a uniform (**medium**) deduction. This includes all piercings of the face, head mouth and body. **The only exception is medical or religious medals which must be taped to the body under the uniform.**
5. Uniform violations will result in a medium behavioral deduction of **0.2** on each event in which the infraction occurs. The judge will warn the gymnast that the violation will be deducted at each event.
- 6. Members of the same team must wear competition attire that is uniform and of the same color.**

**C. Coach's Professional Attire – (Violators will be asked to leave the field of play)**

The following coach's professional attire is required at all competitive sessions, scheduled warm up sessions and event training sessions.

1. Closed toe shoes, no sandals
2. Slacks, Warm-up pants or hemmed "dress shorts (No Denim or "Cargo Style"- defined as having large flap pockets with a button or snap closure on the front and/or side of the thigh)
3. Collared shirts
4. No hats
5. No backpacks or string bags while spotting

**D. Coach's Spotting Responsibilities:**

1. A spotter is required to be in position to safely spot the entire performance on the Horizontal Bar, Still Rings and Vault.
2. A spotter is allowed on Parallel Bars.
3. If a spotter appears on the Floor Exercise or Pommel Horse events, **a large** deduction will be taken from the routine's final score.
- 4. Does not apply.**
5. The gymnast should not be allowed to begin the routine without the presence of the required spotter. If the spotter walks away prior to the completion of the routine, **a medium** deduction will be taken, with a warning to the coach that a second infraction will result in his remaining gymnasts not being allowed to compete on that event that day. **The violation will be deducted from the final team score on that event for that day or if there is no team (individual only), deducted from the individuals event score.**
6. An additional spotter is permitted on Still Rings, Vault, Parallel Bars and Horizontal Bar without deduction.
7. Assistance at any apparatus, whether general or as the required spotter must be provided by a current, active **THSGCA member and or current team member.**

**III. Equipment and Mat Specifications**

**Covered in THSGCA Men's Equipment and Mat Specification document**

## Chapter 2 - Judging Guidelines

### I. General Judging Guidelines

**A. Document Precedence:** The Federation of International Gymnastics (FIG) Code of Points will be used except where superseded by rules found in the THSGCA Constitution, By Laws and Manual of Rules document, the THSGCA Men's Optional Rule document and approved updates and the USAG Age Group Competition Manual and approved updates. Therefore, the order of precedence when determining which rules to use in the event of conflict are:

- 1. The 2017-2020 THSGCA Men's Optional Rules document and approved updates available at: [www.thsgca.org](http://www.thsgca.org)**
- 2. The THSGCA Constitution, By-Laws, and Manual of Rules document also available at: [www.thsgca.org](http://www.thsgca.org)**
3. The USA Gymnastics Junior Olympic Age Group Competition Manual with Rules Updates published by the 2016-2020 Age Group Competition Committee (Rules Updates can be found online at: [www.usa-gymnastics.org](http://www.usa-gymnastics.org))
4. The NGJA/USAG Rules Interpretations (available online at: [www.ngja.org](http://www.ngja.org))
5. The Federation of International Gymnastics (FIG) Code of Points with Rules Updates published by the F.I.G. Men's Technical Committee (Rules Updates – aka FIG MTC newsletters are available online at: [www.fig-gymnastics.com](http://www.fig-gymnastics.com))

### **B. Judging Duties:**

1. The judges in all **THSGCA** men's competitions will perform the duties of both the "D" (Difficulty) and "E" (Execution) Jury Panels as list in the FIG Code of Points, except in the case of a competition where four or more judges are used in a single panel.
2. On floor exercise and vault the judge or judges will have the additional responsibility of line-judge.
3. There is no time limit on floor exercise routines in the **THSGCA** program so there is no need for an auxiliary judge to keep time on floor exercise.

### **C. Minimum Score:**

The minimum score for any optional exercise in the **THSGCA** program is 1.0.

**D. Range of allowable scores:** When using two judges, or a 4 or more judge panel, the point difference between both, or the middle scores, may not be greater than:

<b>Score Range</b>	<b>Difference</b>
<b>9.5 – 10.00</b>	<b>0.1</b>
<b>9.0 – 9.45</b>	<b>0.2</b>
<b>8.00 – 8.95</b>	<b>0.3</b>
<b>6.00 – 7.95</b>	<b>0.5</b>
<b>Below 6.00</b>	<b>0.8</b>

#### **E. Routine Repetition Rule:**

1. One attempt at a routine is allowed.
2. Should circumstances occur that are beyond the control of the gymnast and the routine is interrupted, the gymnast may have the opportunity to repeat his exercise at the discretion of the head judge.
3. Should a hand guard (grip) tear during the routine the gymnast will be allowed to repeat his performance, at the discretion of the head judge.
4. An incomplete vault may be repeated once with safety in mind and at the judge's discretion with a deduction of 1.00 from the final score of the second attempt. No third attempt is allowed.

#### **F. Spotting Deductions:**

1. All spotting must be done by a current, active **THSGCA member or current team member.**
2. If there is no spotter, when required, the exercise may not begin. If the spotter walks away when required, deduct **a medium deduction.** The event judge will warn the coach that another infraction may disqualify his athlete(s) on that event for that day. **The deduction will be taken from the team's final score. If that individual is not affiliated with any team, then the deduction will be taken from the individual's score on that event.**
3. If a spotter appears on the Floor Exercise or Pommel Horse events, **a large** deduction is taken from the routine's final score.
4. If the spotter assists in the execution of the skill, deduct **0.5** for the spot and also deduct for any execution errors that occurred in the execution of the skill. The judge has the discretion to not recognize the skill if, in his opinion, the gymnast could not have completed the skill on his own.
5. If, during the exercise, an incidental brush or touch occurs between the spotter and the gymnast, without interrupting the skill, there is no deduction.
6. A coach may not spot an athlete from a surface which is higher than the allowable competition surface. The head judge will not allow the athlete to compete if this rule is violated.

#### **G. Videotape Review of Routine Performance**

~~There is no videotape review of routine performance for any score evaluation in the **THSGCA** program.~~

#### **H. General Apparatus and Behavior Deductions**

##### **1. Falls:**

- a. A fall onto or off of the apparatus will be deducted **0.5** in addition to any other execution errors. If gymnast exceeds 30 seconds after standing up from the fall to re-mount they will incur a medium behavioral deduction. If the gymnast exceeds 60 seconds the exercise is terminated. The coach may ask the judge if credit for the skill was received.
- b. After a fall a gymnast may repeat the skill to earn its skill value or bonus value for both optional and compulsory levels. This rule includes dismounts for both compulsory and optional competition.

2. If a coach speaks directly to the gymnast, by giving signals, shouts (cheers) or similar during the exercise, etc., a medium behavioral deduction should be taken from the gymnast's 'E' score. This deduction will be taken only once during a routine. It is not a deduction for a coach to speak to his gymnast during the 30 second time between a fall and a re-mount of the apparatus for the continuation of his routine.
3. If a springboard is used inside the uprights to mount the parallel bars, it must be removed as soon as the mount is completed (for the safety of the gymnast), or there will be an apparatus related violation of **0.3**.

**4. Unsportsmanlike Violations**

- a. **Verbally abusing or disrespectfully addressing a Judge/Meet Official or using profanity may lead to meet disqualification or an unsportsmanlike deduction. This rule applies to both coaches and athletes.**
- b. **Improper Inquiry – A deduction shall be given to a team whose gymnast, coach or spectator protests or questions a score verbally on the floor during an event or during the meet.**
- c. **The THSGCA unsportsmanlike deductions are:**
  1. **First offense for coach or gymnast (-0.5) points from the team score. A gymnast may be removed from the meet for their first protest of a score.**
  2. **Second offense (-3.0) points from the team score.**

**I. Landing Deductions:**

All landing deductions are as per FIG.

**J. Protest Procedures at all THSGCA High School Meets.**

1. **When a coach wishes to make an inquiry (protest), such inquiry must be presented in writing on a THSGCA inquiry form, to the Meet Director, who in turn will present the inquiry to the judge immediately following the event. The judges shall meet and discuss the inquiry. A written answer shall be presented to the Meet Director who will return said answer to the coach. The coach cannot sit in on an inquiry session. An inquiry must be written by the coach only. Inquiries need be delivered to the meet director and returned back to the coach writing the inquiry in a timely manner. Inquiries that involve score adjustments need to be retained by the meet Director.**
- ~~2. Video Tape Review of Routine Performance—There is no videotape review of routine performance for any score evaluation in the THSGCA program.~~

**II. Compulsory Guidelines**

**The THSGCA Men's program will continue to use the THSGCA Compulsory routines as written and presented in this document. All scores are based on a "10.0" maximum as outlined above. The judging guide will be the 2017-2020 USA-Gymnastics Men's Junior Olympic Program document with modifications as listed below.**

**A. Philosophy of Structure - (Does not Apply)**

**B. Start Score:**

**1. The start score for Floor Exercise, Pommel Horse, Rings, Parallel Bars and Horizontal Bar will be calculated as follows:**

- a. Base Score - 9.4
- b. Bonus Maximum - 0.6 (Specified Bonus Only)
- c. Total Maximum - 10.00

**2. The start score for Vault will be calculated as follows:**

- a. Base Score - 9.7
- b. Bonus Maximum - 0.3
- c. Total Maximum - 10.00

**C. Specified Bonus:**

- 1. Each event will feature a series of specified bonus skills that can be added to the routine or be performed with enough amplitude to elicit a bonus.
- 2. The bonus awarded can never exceed the maximum bonus allowed for that event. The start score cannot be higher than a 10.0.

**D. Virtuosity: (Vault only - see vault section below)**

**E. Routine Scoring Tables – (Does not apply)**

**F. Routine Error and Deduction Table:**

<b>Table of Routine Errors and Deductions</b>	
<b>Error</b>	<b>Deduction</b>
Missing Part	1.0
Non-Recognized Part	<b>0.3</b> (plus all accrued execution errors)
Routine Composition Error	0.5 (to be taken once per routine)
Fall (as per FIG)	<b>0.5</b>
Large Error (as per FIG)	<b>0.3</b>
Medium Error (as per FIG)	<b>0.2</b>
Small Error (as per FIG)	0.1
Empty and Intermediate swings (as per FIG)	Empty (1/2) - <b>0.2</b> , Intermediate (Full) - <b>0.3</b>

**G. Specific Judging Guidelines:**

**1. Explanation of "Part" & Routine Composition Error:**

- a. A "part" is defined as a "numbered skill or sequence" in the routine description for **each THSGCA routine**.
- b. A "numbered part" is a "missing part" if it has been omitted.
- c. If the "numbered part" is partially completed (more than 50% as determined by the judge) it should receive credit and the appropriate FIG deductions (small, medium, large or fall) should be taken.
- d. Added "parts" such as circles on pommel horse and extra giant swings on horizontal bar should be treated as a Routine Composition Error.**

e. **A Routine Composition Error includes any and all added "parts" such as circles on pommel horse and extra giant swings on horizontal bar, the exception being added swings, empty and intermediate swings as defined by FIG, which will be deducted as per FIG. The Routine Composition Error also encompasses routine elements performed in the incorrect order. The deduction is a 0.5 global deduction that should be taken once per routine in addition to any execution deductions.**

**2. Handstands:**

A nominal handstand is shown at plus or minus (0-15°) from vertical. The **THSGCA** program will use FIG rules concerning swings to or through handstands.

**3. Swings and Position Criteria:**

All swings and position required criteria are defined as one of the following:

- a. Horizontal
- b. 45°
- c. Vertical
- d. Bar height

**4. Required holds:**

- a. Holds are two seconds, unless noted. Hold deductions are per FIG.
- b. Momentary holds are defined as holds that show a definite stop or control of the final finish position and are held less than or up to one second. Momentary holds that do not show a definite stop or control of the final finish position, receive the FIG deduction for no hold of **0.3 (large deduction)**.
- c. In the case of awarding bonus, if the gymnast shows control of the final finish position he will be awarded bonus. If the gymnast clearly does not show control of the final finish position he will receive a single large deduction for failing to meet the required hold criteria and therefore not receive bonus for the skill.
- d. If a Specified Bonus skill is executed (50% or greater rule) but incurs a single large deduction or fall, the gymnast receives credit for the numbered skill part even though bonus is not awarded.

**5. Added Holds:**

- a. Added holds are to be deducted as rhythm errors and not as added parts.
- b. Multiple added holds will be treated as a Routine Composition Error and will be subject to a one-time large error deduction of 0.5.**

**6. Steps:**

- a. There is no requirement specifying the number of steps in the run prior to tumbling sequences in floor exercise routines.
- b. If a run is specified then at least one step must be taken prior to the hurdle otherwise a small deduction of 0.1 will be taken.

- c. A gymnast may take as many or as few steps as is necessary to execute the routine within the defined limits of the floor exercise mat.

**7. Somersault Height:**

All somersault heights (Floor and dismounts) are measured from the center of mass. Center of mass is defined as the point around which the body is rotating in space during the execution of the somersault.

**8. Floor Patterns:**

All tumbling passes can be performed on a 40' x 40' Floor Exercise mat or on a tumbling strip up to 60 feet in length.

**9. Pommel Horse:**

- a. Unless otherwise specified, all elements, compulsory or optional, begin and end in front support.
- b. On all single leg cuts, the top leg (cutting leg) should be at minimum horizontal with the hips fully extended.**
- c. On all pendulum swings, false scissors and scissors, the top leg should be minimum horizontal with the hips fully extended.**

**10. Still Rings:**

Unless otherwise specified all basic swings on Still Rings should show a "turnover" action.

**11. Vault:**

- a. The THSGCA program will not give a zero score for any attempted vault. The minimum score for any attempted vault will be 1.00.
- b. A balked attempt or incomplete vault may be repeated once (with safety in mind and at the judge's discretion) with a deduction of 1.00 from the score of the second attempt. No third attempt is allowed.

**12. Parallel Bars:**

- a. A "hand-on-hand" spot is allowed without deduction on any compulsory skill that originates from support and bails into a long hang swing. There should be no evidence of facilitation to the element other than to ensure a secure grip.
- b. Extra swings are not permitted where specified routine composition is listed in the description of the numbered value parts in succession.

**13. Horizontal Bar:**

Unless otherwise specified all swings forward on Horizontal Bar should be tap swings.

**14. Floor Exercise, Pommel Horse, Still Rings, P-Bar & High Bar Bonus:**

- a. Specified Bonus:**
  - i. Specified bonus will be awarded as written in the text of the THSGCA Men's Compulsory routines.**

- ii. **Bonus will not be awarded for a skill with a single large deduction (0.3).**
- iii. **Specified bonus skills may only be attempted once to receive the bonus.**
- b. **Virtuosity Bonus: (Not Awarded)**
- c. **Stick Bonus: (Not Awarded)**

**15. Vault Bonus:**

- a. **Virtuosity Bonus: (+0.2)**
  - i. **Award +0.1 for vertical takeoff with conspicuous rise**
  - ii. **Award +0.1 for stretch (head back, not dropping chin to chest)**
- b. **Stick Bonus: +0.1**

### **III. Optional Judging & Rules Guidelines**

**A. General Bonus:**

## D. General Exceptions to the FIG Code of Points

### 1. Recognizable Gymnastics Skills:

- a. Any recognizable gymnastics skill which is not listed in the FIG Code of Points, NGJA/USA Gymnastics Interpretations, Men's Junior Olympic Age Group Competition Program Manual or Men's Junior Olympic Age Group Competition Program Update will receive an "A" value with no Element Group credit.
- b. Skills that are not listed in the FIG Code of Points, the USAG/NGJA Interpretations or the AGCC Update will always receive an "A" value until that skill has been submitted for evaluation.
- c. **New, original or old unvalued skills may be submitted directly to the THSGCA Men's Review Committee (in electronic video form) for review.**
- d. **THSGCA Men's Review Committee:**
  1. **The Committee will be made up of the TGJA President and two (2) TGJA Judges. The identity of the 2 TGJA judges will not be revealed. The TGJA President has the option to choose different judges for different events or skills (the same judges do not have to be used every time).**
  2. **The Committee will have 3 business days to evaluate new or unlisted skills.**
  3. **The process for receiving new or unlisted skills will be:  
Coach – THSGCA Men's VP – TGJA President/Committee.**
  4. **The process for returning new or unlisted skills will be:  
Committee – THSGCA Men's VP – Coach/Webmaster**
  5. **The last date to submit skills for evaluation is February 28.**

### 2. Short Routine:

The deduction for performing an exercise containing less than six parts recognizable gymnastics skills is 1.0 for each skill or element less than six. This deduction is taken from the 'E' score. (For example: 5 parts – deduct 1.0, 4 parts – deduct 2.0, etc.)

### 3. Element Group Requirement

There is no restriction on the number of skills that can be performed from an element group for value.

### 4. General Restrictions and Special Exceptions:

- a. In the Men's Junior Olympic Age Group Competition Program, a skill which has a letter value assigned should be evaluated as if it has its own "code box".
  - Example: A "B" Stutzkehr forward to support on Parallel Bars would have a different "virtual code box" for routine construction purposes than a FIG "C" value Stutzkehr forward to handstand.
- b. It is, however, not the intention of this interpretation to allow for undue repetition of elements. FIG rules regarding repetition will be enforced

except where specifically noted in the following event specific exceptions.

- Example: A gymnast performs both a FIG “C” value Stutzkehr to handstand and the excepted “B” Stutzkehr forward to support in the same routine, only the FIG “C” value Stutzkehr forward to handstand would be recognized because of its higher value.
- c. Floor Exercise – One landing mat of up to 10 cm (4”) may be used for “C” value or greater skills. The mat must remain in place throughout the routine. The mat must be used for landing only. An apparatus related deduction of **0.3** will be taken if the mat is used for take-off during the execution of a skill.
